

## Our Mission

The mission of the North Star Learning Center is to serve our community by providing child-focused, quality education and care for children, Infants through Fours, in a loving, nurturing, Christian environment. We strive to meet the physical, spiritual, emotional, cognitive, and social needs of each individual child. To this end, we provide developmentally appropriate programs delivered by qualified staff which challenge and enrich our children, providing them with opportunities to maximize their God-given potential.

Our experienced teachers tailor the curriculum to the needs of the children in their classroom so that all can enhance their learning skills, expand their imagination and build their self-esteem. Students, depending on enrollment, will participate in weekly classes of Music, Library, Physical Education, Art, Science, and Chapel.
