believe that:

...marriage is part of God's plan and purpose in life, regulated by God's commandments, blessed by our Lord Jesus Christ, and to be held in honor by all people;

...marriage is a life-long covenant between a husband and wife where each may grow in love and communion with god and one another;

...marriage is a life mutually shared that may be blessed with children who are to be raised to fulfill their own potential within a family and as members of Christ's Church;

...marriage is a relationship in which individuals strive to contribute to the well-being of their helpmate, as well as reflect the love of Christ at work within their lives;

...marriage is a Christian commitment that we are ready to assume with faithfulness and singleness of purpose.
