Welcome!

Infants through Fours

The mission of the North Star Learning Center is to serve our community by providing child-focused, quality education and care for children, Infants through Fours, in a loving, nurturing, Christian environment. We strive to meet the physical, spiritual, emotional, cognitive, and social needs of each individual child. To this end, we provide developmentally appropriate programs delivered by qualified staff which challenge and enrich our children, providing them with opportunities to maximize their God-given potential.

Curriculum

Our high-quality developmentally appropriate curriculum seeks to foster academic and social growth of all children. Our experienced teachers tailor the curriculum to the needs of the children in their classroom so that all can enhance their learning skills, expand imagination and build self-esteem. Students, depending on enrollment, will participate in weekly classes of Music, Library, P.E., Spanish, and attend Wednesday Chapel and Friday Sing-a-Long.

Guidelines

Please dress your child in socks and closed-toed shoes (no sandals) and play clothes appropriate for weather conditions. Children enjoy time on the playground twice daily, unless weather dictates otherwise. All children should keep a change of clothes in a plastic bag at school. We ask that you put your child's name on all belongings-lunch container, clothes, nap mats, coats, hats, etc. Please do not allow children to bring personal toys from home.

Lunch

Children must bring a lunch. Lunch boxes should be plainly marked on the outside with your child's name. Please keep in mind that North Star Learning Center is a nut-free environment.
