

Path connects to sidewalk along North Star Road

Cross sculpture of rough wood

Donated trees include aluminum plaque showing tree type, donor and dedicatee name(s), and date

Backed benches allow visitors to take in view while leaning back

Flat benches allow visitors to take in view from either side

Labyrinth features shade tree at center

Memorial garden features sculptures by artists from CCPC and local community

COMMUNITY ENTRANCE

'Front door' planting

Native Texas Garden

MAIN ENTRANCE

NORTH GATES

NSLC Outdoor Classroom

SOUTH GATES

Raised Platform

CENTER GATE

Supply Shed

Full Shade Garden

Labyrinth

Sculpture & Memorial Garden

Monarch Butterfly Garden

Part Shade Garden

Maintenance Area

Archway of twisted limbs and flowering vines define entrance

Most path intersections have shade tree in mulched bed

Swaths of native Texas wildflowers

In keeping with the *Bring Back the Monarchs to Texas* program, native milkweeds and nectar plants encourage Monarchs to land and lay eggs, making this a registered Monarch Waystation

Connection point to potential campus-wide walking path
